To the head of school:

The area marked “Grades from present school” should be filled in by the head of the school. Please fill in all the three categories (mother tongue, Mathematics, English) with the academic grades (if applicable) that the applicant has achieved so far. Feel free to use the area “Additional information” to specify.

Since the grading system varies according to the country and the educational system, it would be of great help if you could specify what the grades mean.

The applicant is asked to include a copy of his/her latest school report. It would also be of help were you to comment on the level of the applicant’s academic record.
