Waltti cards and tickets

A nationwide Waltti travelcard is used in Joensuu Region buses. Tickets are priced according to zones and customer category. The price of your ticket depends on whether you travel within one or more zones.

There are two different types of Waltti cards to choose from:

Personal Waltti

When buying Personal Waltti card you will need to take an ID with you. It cannot be used by anyone other than the card owner as customer information will be saved onto the customer register. This enables various services.

Regular Waltti

A regular Waltti card can be purchased without registration. Only the customer's payment group (adult, youth or child) will be entered in order to ensure they are paying the correct fare

Loading tickets onto your Waltti

After you have purchased your Waltti card from Carelicum service point, you can load tickets onto your Waltti card online, in Carelicum, on buses that carry a Waltti sign or at JOJO Waltti Ticket machines. They are situated in Joensuu main library (address Koskikatu 25), in Shopping center Iso Myy (beside Market place) and in passenger waiting room near the railway and bus stations (long lines), address Asemankaari 9. There are two different tickets you can load in order to fit your traveling needs:

Season ticket

Valid for unlimited travel for 30 consecutive days. You can find season tickets also on Waltti Mobile app.

Prepaid ticket

You can load value (i.e. money) onto your Waltti card

Waltti Student Card

Students younger than 25 may travel with a Youth ticket.
